REVISED

STATE ROUTE 18 OPENS TODAY LATER THAN EXPECTED

San Bernardino – The re-opening of SR18 between Big Bear Dam and Boulder Bay has been delayed until 8 PM tonight. Caltrans crews continue to work in order to open the route this evening.

Beginning Wednesday, March 15, one way traffic control will be in effect as Caltrans makes final repairs to the roadway and San Bernardino County continues clean up efforts of contaminated soil. Friday, March 17 is the target date for completion.

The Department thanks you for your patience and reminds you to SLOW FOR THE CONE ZONE. A construction zone is no place to speed. Slow down as you drive through this project. The life you save may be yours or someone you know.
